“I don’t need easy. I just need possible.” – Bethany Hamilton

Hello,

At SCE LifeWorks, we believe in the power of possibility. Every day, we support Manitobans with developmental disabilities who are looking for the chance to contribute, grow, and be recognized for their contributions. The people we serve simply seek an opportunity to shine. Your membership helps us turn possibility into a reality.

We endeavour to break down barriers and foster inclusive spaces where everyone has the chance to thrive. We do this through our Mission, helping people find meaningful employment and valued roles in the community, because when the people we serve are connected and confident, everyone benefits. People who can engage fully in their communities help build a stronger, more inclusive Manitoba.

We believe in supporting people where they are—respecting their choices, celebrating their accomplishments, and supporting their goals. This is our commitment. And by becoming a member, we invite you to make it yours too.

Membership includes the following benefits:

- Eligibility to vote at the Annual General Meeting
- Information regarding our special events
- Access to our resource library at the SCE LifeWorks office
- A charitable income tax receipt
- The most important feeling of community responsibility and engagement.

By becoming a member, you play a vital role in our community. Your support strengthens our governance, provides essential funding, and helps us deliver quality services that promote true community inclusion. You make our work possible.
